

Cover Letter

Goal-driven creative mindset with a passion for learning and innovating.

I always look forward to opportunities where I can contribute to self-growth and organizational growth and move with a similar vision toward success.

I am in my Pre-final year of graduation, pursuing a Bachelor of Technology in Computer Science Engineering from Maharaja Surajmal Institute Of Technology, New Delhi.

I would describe myself as someone who is passionate about her work. Combined with my experience,

I believe that I can make a valuable contribution to your organization. I see this position in your organization as the perfect next step in my career. I will give my 100 % to insure my duty and responsibilities.

I would like to explain my motivation further to join your organization in a personal meeting. You can

reach me either by phone or email.

I appreciate your consideration. I look forward to hearing from you.

Sincerely,

Mansi Gangwani
